K. RATIONALE

The 2nd General Assembly " *Student Forum: Unity in Voice and Purpose*" for BSIS students is a crucial event that will serve as an avenue for meaningful discussions, transparent communication, and collaboration within the student body. Given the rapid advancements in information systems and the evolving landscape of education, it is essential to keep students informed and actively engaged in shaping their academic journey. By organizing this assembly, we aim to strengthen the relationship between students and faculty, address pressing concerns, and promote a culture of proactive participation. Additionally, this event will empower students to contribute to the continuous improvement of the BSIS program by voicing their insights and recommendations. Ultimately, the general assembly will enhance student leadership, accountability, and community-building, ensuring a more dynamic and supportive learning environment.

L. ACTIVITY OBJECTIVES

- To facilitate an organized and engaging general assembly for all BSIS students.

- To ensure the effective dissemination of information regarding academic and extracurricular matters.
- To provide a structured platform for student feedback and dialogue with faculty and officers.
- To promote teamwork and leadership among student officers and participants.
- To establish a culture of transparency, accountability, and collaboration within the BSIS community.
- To enhance student motivation and involvement through meaningful discussions and activities

M. METHODOLOGIES

To ensure the success of the 2nd General Assembly, the following methodologies will be implemented:

1. Planning and Coordination – A series of meetings will be conducted among the organizing committee, faculty, and student officers to finalize the event details, agenda, and logistics.
2. Information Dissemination – Announcements will be made through various communication channels such as social media, email, and bulletin boards to ensure maximum participation.
3. Program Execution – The event will follow a structured agenda, with designated speakers, officer reports, and an interactive open forum for students to voice their concerns.
4. Engagement Activities – Icebreaker activities, Q&A sessions, and networking opportunities will be incorporated to encourage active participation and interaction among attendees.
5. Documentation and Evaluation – The assembly proceedings will be documented, and feedback from participants will be gathered through surveys to assess the event's effectiveness and identify areas for improvement.
